

# The Association at Work

## Operations

The Brain Injury Association of Minnesota's 2010 actual yearly revenue was \$3,030,100. In 2010, the Association operated with a staff of 45 employees and a Board of Directors consisting of 25 members – representing individuals with brain injury, family members and professionals.

## Outcomes and Impacts

2010 highlights of people served by the Brain Injury Association of Minnesota's programs and events include:

- Collectively, program services impacted 23,962 individuals.
- Volunteers contributed 10,215 hours, which is equal to approximately \$218,192 in salary and approximately five full-time employees.
- There were 44 media stories and interviews that were broadcast or published, including live media coverage at the Walk for Thought and Public Service Announcements broadcast on television and radio.
- The 2010 Walk for Thought saw the participation of 1,640 individuals and \$126,657 in funds raised.
- Over 93 percent of the individuals served in Multicultural Outreach were referred to Resource Facilitation.
- Public Policy played a role in organizing 239 face to face and 454 grassroots contacts with Minnesota Legislators.
- Citizen Advocates made 54 visits to the state capitol to advance public policy objectives.
