2012 Elections and Beyond

The candidates we elect this November will make decisions that will impact you and your family for years to come. In the confusing world of elections and campaigns, how can we make sure the people we vote for represent our own values?

Join us to learn how you can find out where the candidates stand on issues important to you and how to make sure future policy-makers understand what living with brain injury means to Minnesotans.

When: Saturday, September 29, 2012
      11:30 a.m. to 3:30 p.m.
